

## Position Vacant

### High School Maths Science Teacher

We are seeking applications for the position of Maths / Science Teacher for our High School. This is a full time position and encompasses Chemistry, Physics, Mathematics and possible homeroom teacher.

Sophia Mundi is an independent Steiner School that is going through a process of consolidation and renewal. We are therefore looking for an individual who is passionate about the Maths / Science area, with an area of particular interest and expertise. This person will take the lead in bringing a programme that is enlivening and inspiring for our students while being academically rigorous.

Part of the work requires a VCE component and experience in this would be needed. It is desirable that applicants also have a background in Steiner education and short of this an openness and interest in developing this side of their teaching skill base.

Applications to be sent to:
