

Woodwork / Metalwork Teacher (Hard Arts) Commencing Term 1, 2010

Sophia Mundi Steiner School is seeking applications for the position of Woodwork / Metalwork Teacher (Hard Arts) for our Middle and Senior School classes.

The successful applicant will take the lead in developing a programme that is both challenging and inspiring for our students and complementary within the Arts and Crafts curriculum of the School.

They will display a passion for their field of expertise and a capacity to engender enthusiasm in students.

The position requires skill in

- Wood carving
- Whittling
- Forge work
- Copper beating

Good planning and communication skills and a proven ability to work collegially with teachers and management are necessary for this role.

The position is part-time, across 2 – 3 afternoons per week.

VIT registration is preferable and previous teaching experience essential.

Sophia Mundi Steiner School is an independent Steiner school offering a P – 12 curriculum. We are located within the idyllic environs of the Abbotsford Convent Precinct.

Applications to be sent to:
